Stroll and Roll is Continuing!!

This activity will take place on every Tuesday and Thursday of the month of May at 10:30 am.

This should be great fun and exercise! We will begin our stroll at the Best Start Hub and stroll as a group around our pretty little town.

One change this month is that we will stroll down to the beach on Tuesdays and play in or by the water for a bit before returning to the Hub.

Hope to see lots of people out for this!!

We are continuing to open late one night per week for the Month of July.

*This night will be Wednesdays from
2pm till 6:30pm*

We have a special snack and/or activity during these late night openings.

Please refer to the calendar.

Everyone is welcome; parents with children, grandparents with children, aunts and uncles with children... etc.

Children must be accompanied by an adult.
